MESSAGE
TO
THE SWEDEN-AMERICA FOUNDATION

Congratulations on celebrating 90 years of promoting Swedish-American relations.

Since 1919, the Sweden-America Foundation has promoted educational exchanges to build scientific, cultural, and practical knowledge between the United States and Sweden. That work continues today with scores of Swedes receiving scholarships and fellowships each year to live and study in the United States.

The Sweden-America Foundation has built and continues to build on a broad array of connections the United States enjoys with Sweden, enhancing the relationship between our two countries.

Thank you for carrying this invaluable mission into the future.
